One of the best kept secrets in residential real estate are the new homes that are being built in the western sections of Bluffview and Briarwood. Bluffview and Briarwood, which are bordered by Northwest Highway, Lovers Lane, Inwood and Lemmon Avenue, have long been admired for quiet country lanes, large lots, mature trees and rolling topography. "The new construction has been moving west in Bluffview and has pushed the border west to Lemmon Avenue", says Mr. Griffin.

New construction homes listed with Bill Griffin Real Estate that are open today from 2-5 include 8310 & 8411 Midway, 4810 Purdue, 8511 Ridgelea, 8340 & 8523 Lakemont. The homes range in price from \$749,000 to \$1,565,000. Builders include Malt Homes, Kimberly Schlegal Whitman Homes, Robert Campbell and Tracy Glover. Look for directional signs and maps at each property.
