## **Ross Avenue Brownstones Opens Sales Model**

**Bill Griffin Real Estate will be holding open the newly completed model at Ross Avenue Brownstones located just east of downtown at 3200 Ross Avenue from 2-5pm today. Ross Avenue Brownstones combines the timeless architecture of historic places like Back Bay Boston or Soho with the way you live today.**

**The homes have unparalleled craftsmanship that is easily seen in the attention to detail: solid hardwood floors, granite countertops, Euro-style stainless steel appliances, 10 ft ceilings, Anderson windows and artistic lighting accent the homes. Individual cast-stone entries replicate the early twentieth century, yet the soft-contemporary interiors are twenty-first century in every way. The homes address energy conservation with a rare FIVE STAR ENERGY RATING.**
